Style name/No/Reference Style of watch (wrist, pocket, other) Quantity HTSUS Number (optional) What is primary function of watch timekeeping GPS heart monitor Wi-fi pedometer other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
Style of watch (wrist, pocket, other) Quantity HTSUS Number (optional) What is primary function of watch timekeeping GPS heart monitor Wi-fi pedometer other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
Quantity HTSUS Number (optional) What is primary function of watch timekeeping GPS heart monitor Wi-fi pedometer other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
HTSUS Number (optional) What is primary function of watch timekeeping GPS heart monitor Wi-fi pedometer other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
What is primary function of watch timekeeping GPS heart monitor Wi-fi pedometer other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
timekeeping GPS heart monitor Wi-fi pedometer other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
GPS heart monitor Wi-fi pedometer other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
heart monitor Wi-fi pedometer other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
Wi-fi pedometer other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
pedometer other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
other (provide function) How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
How is it powered Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
Electric (Battery) Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
Automatic Winding (Self Winding) Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
Manual Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
Movement/ Display type Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
Analog (Mechanical) only Digital (Optoelectronic) only Analog/Digital				
Digital (Optoelectronic) only Analog/Digital				Ē.
Analog/Digital		ı	ı

Is the movement's size over 12mm in				
thickness and 50mm in width, length, or				
diameter?				
Yes				
No				
Number of Jewels in Movement				
0-1 Jewels				
2 to 7 Jewels				
8 to 17 Jewels				
over 17 Jewels				
Material of Band (Strap)				
Textile				
Metal (provide type of metal)				
Leather (what type of animal)				
Other (provide material)				
No Band				
Material of Case				
Gold/Silver Plated				
NOT Gold/Silver Plated				
Metal Clad w/Precious Metal				
Wholly of Precious Metal				
Other (provide material)				
Material of Backplate				
Wholly of Precious Metal				
Other (provide material)				
Country of Origin of Movement				
Value Breakout (state amount and currency)				
Movement				
Case				
Strap				
Battery				
Total Watch Value
